授業のテーマと到達目標

The aim of the course will be to develop high level technical legal English skills required in international legal work in a business environment. The main focus will be on reading and writing skills though there will be an element of listening skills. The course is aimed at students who already have a reasonably advanced level of general English ability.

授業の概要と計画

There will be 14 or 15 classes in each semester. The following gives an indication of the likely topics to be covered by the classes: lawyers, banking, contract law and contracts, employment, tort law (civil wrongs), company law, business law

成績評価と基準

Students will be assessed by written tests.

履修上の注意（準備学習・復習、関連科目情報等を含む）

Students will be required to do significant amounts of reading and written work outside the classroom, with classroom time used primarily for review and tests.

オフィスアワー・連絡先

Contact details will be announced during classes

学生へのメッセージ

Participating in the course will help prepare students wanting to take the TOLES legal English certification exam. Students intending to take this exam can receive extra support and training outside the scheduled classes. In order to participate in the course, students will need to be assessed by informal interview to ensure that their starting level of English is adequate.
