

開講科目名	International Investment Law 1		
担当教員	Cai Congyan、玉田 大	開講区分	単位数
		前期	2単位
授業のテーマと到達目標			
<p>【Theme】 Foreign investment has become a major 'engine' for global economic prosperity and international investment law, especially investment treaties and investment arbitration, has become a new academic focus for international law scholars, a booming business field for law professionals including attorneys and in-house legal officers, an important investment decision-making consideration for transnational companies, and a serious policy issue for governments. Therefore, international investment law is of increasing importance for law school students who have a plan to be involved in transnational business.</p> <p>【Goal】 The course is aimed to introduce to students main regimes and mechanisms of international investment law and their operation in practice.</p>			
授業の概要と計画			
<p>【Outline】 Fifteen lectures covering legal framework regulating foreign investment.</p> <p>【Plan】 the evolution of international investment law (e.g. bilateral investment treaties, investment chapters in free trade agreements, multilateral investment treaties); investment and investor; investment treatment (e.g. national treatment, most favored treatment, fair and equitable treatment); investment protection (e.g. indirect expropriation); investor-state investment arbitration mechanism; critique on and reform of international investment law; investment treaties of Japan and China, etc.</p>			
成績評価と基準
