Teacher(s)	Yun Zhao, SAITO Akira			開講区分	単位数
				2nd semester	1.0
Numbering Code		Day・Period	Other	Timetable Slot Code	3J396

Lesson topic

International commercial transaction is carried out on a daily basis and disputes will inevitably arise. How to provide an appropriate legal framework to resolve commercial disputes is very important to the healthy development of international transactions. Litigation and arbitration are the two most important mechanisms in the international level to resolve such disputes. This course will look into the litigation system and the arbitration system in mainland China and Hong Kong and examine the latest development in international business litigation, in particular the international commercial courts in China.

Lesson target

The course is aimed to introduce to students the main features and latest development of international business litigation and arbitration in mainland China and Hong Kong.

Syllabus and plan

There will be a total of eight lectures covering the following topics.

- Civil Litigation System in China (1-2)
- Civil Procedure in China (1-2)
- International Arbitration in Asia
- International Arbitration in China and Hong Kong
- Chinese Arbitration System
- International Commercial Courts in China

The topics and schedule may be adjusted depending on our progress over the quarter.

Evaluation method

Attendance and class participation 30%; term paper 70%

Evaluation baseline

With the method stated above, grades will be determined in accordance with the degrees of achievement of the objectives.
