

Conditions for using a classroom as access point

Google Forms

- When you need to take an online lecture in real time in the campus, you are allowed to attend the class in the designated classrooms including Frontier 406 as access point. Fill in the notification form (Google Forms) and send it by the end of the date of usage.

- When taking online classes, use ear-plugs or headphones to prevent them from leaking sound.

- When using PC's camera/webcam during online classes, use the virtual backgrounds to avoid other students from appearing on the screen.
